## TO WHOME IT MAY CONCERN

This is to certify that Shamroz Warraich has been a part of xTechnos as Frontend Developer for a period of 1 year and 3 months, starting from April 2017 till July 2018.

### **Job Title: Frontend Developer**

His responsibilities included:

- Creation of new Web Front End Modules
- Maintenance of existing projects
- Creation of Mock-Ups and Prototypes
- Proof of Concepts

I wouldn't hesitate to recommend Shamroz, he is very professional with vast knowledge and experience. He is a hard-worker and was an asset to the projects and teams that he was assigned to and brought in new web technologies. He works very quickly and would always give 100% to every project both on and off-site.

Best Regards,

Syed Zaghham Naseem
